

March 2011

Announcement!

Members of Starport:

It is with great pleasure that we welcome **Clint Watt** to the position of Service Manager for Starport Marina Inc. Clint's extensive experience and credentials cultivated over the last 30 years in the marina industry coupled with the Starport Marina commitment to continually strive to exceed member expectations will ensure a service offering second to none.

Clint's many years of marine service experience include positions at Big Chute marina, Lackies on the Bay (Now Starport Severn), Skyline Marina and most recently Service Manager at Bay Port Yachting centre in Midland Ontario.

Supported by Sean Hickey, Assistant Service Manager, Clint has set out five main priority goals to serve your boating season this summer. They are:

- 1) Quality Service delivered in a timely manner;
- 2) Accurate estimates ;
- 3) Increase frequency of repair invoices to help you budget your boating season;
- 4) Commitment on personalized communication;
- 5) Ongoing skill development of our Technicians.

"This summer, I would like to understand each members personalized service requirements specific to their boat and budget." "I look forward to speaking with and meeting all of you this season."

Clint Watt

Starport Severn Members, please continue to contact Gord Russell for your service requirements. Gord will be working with Clint to co-ordinate your successful launch this spring and summer boating season.

Sincerely,

Mark Lariviere
